MIAMI BEACH

The Art Deco District — listed on the National Register of Historic Places — is one of Miami Beach's most popular attractions. You can explore it on guided walking tours offered by the Miami Design Preservation League (MDPL).

A dramatic Spanish Baroque building is home to The Wolfsonian-FIU, a museum that includes pieces of American and European decorative and fine arts that were produced from the height of the Industrial Revolution to the end of World War II. The Jewish Museum of Florida-FIU is housed in two beautifully restored, side-by-side synagogues. The Holocaust Memorial Miami Beach is identified by the visually stunning image of a giant sculpted hand, reaching toward the skies.

Many of the striking buildings in Miami Beach house fascinating museums, including The Bass,

set within a beautiful coral rock Art Deco structure. The museum boasts a permanent collection encompassing more than 500 years and four continents. It re-opens in October 2017, following an extensive transformation.

The art scene in Miami Beach is in itself one of its most unique attractions, and it reaches its crescendo during Art Basel Miami Beach. Every December, Miami's most prominent art and cultural institutions pull out all the stops, as artists and collectors travel here from all corners of the globe.

If your inner artist is satisfied and the great outdoors beckon, feel free to answer at the sparkling seashore that lines Miami Beach for miles. Stop in at one of many parks, where activities like kite flying, tennis and bicycling will complement your day in the sun.

open spaces and no hotel towers to share the view. Amenities include a dog park, picnic tables, nature and exercise trails and a bike path. South Pointe Park offers beach access, beautiful green spaces, and a pier for strolling by the waves.

Lummus Park provides the palm trees and sand dunes that connect the sparkling blue Atlantic with pastel-colored Ocean Drive. Miami Beach Botanical Garden is a peaceful urban oasis. Its 2.6 acres showcase native plants and trees, and host many community events.

Fashionistas looking for cool retail head directly to South Beach. The famous Lincoln Road is one of the nation's first pedestrian-only malls, a brisk hub of national retailers, one-of-a-kind boutiques and art galleries. Shoppers can stop at one of many outdoor cafes, where the people-watching is as good as the food.

Big-name boutiques are tucked beside the restaurants and clubs along Collins Avenue. Browse for the latest looks and accessories at the shops of Ocean Drive. European-flavored Española Way offers laid-back cafes and charming stores selling hand-made jewelry and one-of-a-kind clothing. Nearby Washington Avenue is where you will find the latest club wear as well as designer and vintage fashions.

To the north, 71st Street is a main thoroughfare leading back to the

mainland. It's lined with a variety of shops and restaurants, with the beautiful Normandy Isle park and fountain steps away.

Dining is an event in Miami Beach, where outdoor cafes combine people-watching with ocean breezes and creative cuisine. Some the best chefs in the world operate right in Miami Beach. The Food Network South Beach Wine & Food Festival features more than 80 events in a span of four days each February.

After a fabulous meal, the night is still young at scores of clubs, bars and lounges across the area. The curtain is rising on concerts, comedy and theater at a number of Miami Beach performance venues, including the Fillmore Miami Beach at the Jackie Gleason Theater. Heading to Lincoln Road, the Colony Theatre is an Art Deco gem dating back to 1935.

The New World Center is a Frank Gehry-designed building that is home base to the New World Symphony (NWS). Symphonic and chamber concerts are performed here on a regular basis. Residents and visitors alike gather on the lawn at Soundscape Park to watch projections of select events on the wall of the building. The North Beach Bandshell is a unique concert venue near the ocean. It's on the National Register of Historic Places based on its Miami Modern (MiMo) architectural style.

THE MIAMI BEACH CONVENTION CENTER

The Miami Beach Convention Center is in the midst of a magnificent transformation. Scheduled for completion in September 2018, it is undergoing a \$615-million state-of-the-art transformation. It will include nearly 500,000 square feet of exhibit space and a 60,000-square-foot ballroom. The Center remains open to host events such as Art Basel Miami Beach, attracting visitors from all over the world. Visit MiamiBeachConvention.com for more information.

DOWNTOWN MIAMI/ BRICKELL

Robin Hill

Downtown Miami's striking skyline is not just another pretty sight, but an architectural testament to an impressive collection of historic landmarks, futuristic structures and show-stopping attractions. Standing out among the skyscrapers of Downtown Miami is the National Historic Landmark Freedom Tower at Miami Dade College, now home to the MDC Museum of Art + Design. The museum is set to reopen in spring 2018.

Holding court at the massive AmericanAirlines Arena, the NBA's Miami HEAT play to sellout crowds. This state-of-the-art bayfront arena also hosts some of the city's biggest events, including big-name concerts.

Bayfront Park is a 32-acre site of lush greenery set right on Biscayne Bay, with an amphitheater, tropical rock garden and waterfall, playground, fountain, and monuments such as the Plaza of the Spanish Navy/Plaza de la Marina Española.

The 30-acre Museum Park also provides spectacular views of the bay. It connects two premier museums. Inside Pérez Art Museum Miami's (PAMM) galleries you can marvel at international art of the 20th and 21st centuries. PAMM is now joined by the Phillip and Patricia Frost Museum of Science, which opened in 2017 and includes a state-of-the-art aquarium and planetarium.

The Adrienne Arsht Center for the Performing Arts of Miami-Dade County is home to three internationally

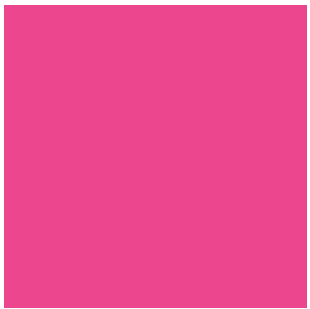

acclaimed companies — Florida Grand Opera, the Miami City Ballet and the New World Symphony — along with a regular series of jazz, flamenco and Broadway hits, as well as a fine dining restaurant, a cafe and a weekly farmer's market.

Downtown Miami's other performance palace — the Olympia Theater — came of age in the Roaring Twenties and still reflects the grandeur of that era with lavish Moorish architecture and a simulated night sky overhead.

Meanwhile, Greater Miami's most colorful characters, from macaws to monkeys, welcome visitors to Jungle Island, on the MacArthur Causeway. Right across the causeway from Jungle Island, kids and families can play and learn at Miami Children's Museum.

Department stores such as Macy's and Saks Fifth Avenue are part of the shopping mix, as are specialty stores and retailers. Bayside Marketplace is home to more than 140 shops, boutiques and vendors. Its Miamarina is the place to set sail aboard a sightseeing boat.

South of the Miami River, the booming Brickell district is home to a wide array of high-rise office towers, residential buildings, restaurants and bars. Here you'll find the laid-back Mary Brickell Village, an oasis of shops and boutiques. Just west of Brickell Avenue, the new Brickell City Centre mixed-use development includes luxury retailers, a variety of restaurants, and the EAST, Miami Hotel.

COCONUT GROVE

Holly Wilmeth

A little bohemian, a little Bahamian and altogether fascinating, “The Grove” is a place where people can stroll tree-lined streets, pop in at galleries, cafes and bookstores and savor a waterfront ambience.

History and heritage still echo through The Grove, as you discover when strolling beside the bay at Peacock Park; or by visiting Ralph Munroe’s former home, The Barnacle, which dates back to 1891.

Keep your eyes peeled for the Trapp Homestead, constructed in 1887 and privately owned today; the Ransom School Pagoda, built

in 1902 and now part of the Ransom Everglades School campus; and The Kampong, where you can admire 2,000 rare and unusual varieties of tropical and subtropical fruits, palms, vines and flowering trees.

Another early home still surrounded by luxuriant grounds is now a museum: Vizcaya Museum & Gardens, winter residence of industrialist James Deering from 1916 to 1925. Despite its location near the tropics, Vizcaya was designed to resemble a 17th-century Italian villa and is known for having one of the most significant collections of Italian furniture in the United States.

The Grove is home to CocoWalk, a shopping and entertainment complex. When the sun sets, CocoWalk lights up the night with a variety of restaurants and bars. Culinary styles span the globe in the Grove, whether you’re hankering for fresh seafood, savory pasta, ceviche by the spoon or just a scoop of gelato.

VILLAGE WEST

The past is still alive in Coconut Grove. Touring the sites in the Coconut Grove Village West enclave is a culturally enriching experience for those seeking to learn about the African-American and Bahamian settlers who arrived at the tip of the Florida peninsula as early as the 1870s.

A stroll down Charles Avenue and other neighborhood streets is part of a heritage tour that includes the first Black church, a library, a cemetery and a number of historic homes.

Included are the E.W.F. Stirrup House, home to an early settler who built 100-plus homes in the area; the

Jorge Ramirez

Mariah Brown House, residence of one of the first Bahamians to arrive in Coconut Grove; and the Winston Elliott Scott House, former home of one of the nation’s first African-American astronauts.

Kroma Gallery is located in the heart of Village West, consisting of creative studios and communal exhibition spaces, as well as a visitors center.

In addition to its quiet, tree-shaded streets and lovely homes, Coral Gables offers a host of attractions.

Start your day in the company of Coral Gables' own founder, George Merrick, and picture his childhood in his famed gabled-roof house filled with his art, furniture and personal treasures.

Subtropical Matheson Hammock Park has a saltwater "atoll" pool favored by families who enjoy its safe beach, bayfront views and peaceful picnic grounds. Not far from Matheson, Fairchild Tropical Botanic Garden is a verdant haven of tropical plants and botanical research. Nature's beauty and man's ingenuity meet at Venetian Pool, originally a rock quarry and later envisioned as "the world's most beautiful swimming hole," with its vine-covered loggias, coral caves,

shaded porticos and sparkling waters fed by a pristine underground spring.

Golfers can tee off at the Granada Golf Course and the 18-hole Biltmore Golf Course, adjacent to the breathtaking Biltmore Hotel, whose 300-foot Giralda Tower is one of Greater Miami's most striking landmarks.

Downtown Coral Gables is home to other historic sites like City Hall; the Colonnade Building on Miracle Mile; and the Old Police and Fire Station, today housing the Coral Gables Museum and Visitors Center. The museum also offers bike tours through Coral Gables. Meanwhile, a collection of outstanding art galleries is clustered within Coral Gables' downtown district.

Miracle Mile is home to many fine restaurants where you can stop and take in the surrounding streets of downtown Coral Gables, which are lined with galleries, showrooms and hundreds of options for high-end shopping, upscale nightlife and world-class entertainment.

You can catch the latest independent film at Gables Art Cinema, or watch a live Performance at Actors' Playhouse at the Miracle Theatre or GableStage at the Biltmore.

SOUTH MIAMI

Bordering Coral Gables and Pinecrest, the City of South Miami is known for idyllic residential neighborhoods and a vibrant family-friendly downtown area.

Make it a picnic day and head to South Miami Park, a 3.4-acre park packed with picnic tables, outdoor grills, playgrounds, basketball courts and plenty of open-field space.

South Dade offers new worlds of discovery, agriculture and wilderness. Homestead is the gateway to two natural wonders: Everglades National Park and Biscayne National Park, a UNESCO World Heritage site. Everglades National Park is home to tropical plants, birds, alligators, endangered Florida panthers and West Indian manatees. Biscayne National Park is the fascinating underwater home to mangroves, coral reefs and fish.

Zoo Miami is consistently ranked among the country's top 10 zoos, with 340 acres and 100 special exhibitions connected by three miles of shaded pathways. Nearby, the Zoological Wildlife Foundation is a conservation facility offering interactive encounters by appointment only.

The Deering Estate is a 444-acre environmental, archaeological and historical preserve located along the edge of Biscayne Bay. Estate tours are led by expert interpretive staff members who recount fascinating stories about the property.

Monkey Jungle provides a habitat for 300 gibbons, guenons, spider monkeys, orangutans and other playful primates. Most run free on the 30-acre reserve, while visitors observe from inside the cages.

Discover 37-acre Fruit & Spice Park, the only botanical garden of its kind in the United States.

Five hundred varieties of delectable fruits, vegetables, herbs, spices and nuts grow here. Taste the produce at Schnebly Redland's Winery & Brewery, where vintners and brewers make unique wines and beers from fruits like mango, lychee and guava.

Built between 1923 and 1951, Coral Castle Museum in Homestead is one of Greater Miami's more mysterious sites. Although he weighed only 100 pounds, its creator carved and moved tons of coral rock by hand to construct the massive castle with equally massive furnishings.

History buffs will appreciate a walking tour of the Homestead Historic Downtown District, filled with heritage sites from the city's days as a frontier town along with boutiques, antique stores, art galleries and several eateries.

The area of Richmond Heights offers another interesting glimpse back at Miami's history. Originally conceived as a community for African-American veterans returning home from World War II and facing the difficulty of finding quality affordable housing, Richmond Heights has grown into a thriving community with a rich and proud history.

For some action, try an airboat ride near the Everglades. Take Tamiami Trail (US 41) west and look for Miccosukee Indian Village, Coopertown Everglades Airboat Tour & Restaurant or Everglades Safari Park. South near Homestead, look for Everglades Alligator Farm.

The South Miami-Dade Cultural Arts Center in Cutler Bay hosts concerts, community outreach programs and provides rehearsal space for performers. Seminole Theatre in Homestead has become a go-to place for entertainment and social gatherings.

WYNWOOD

Felix Stenison/Alamy

Wynwood has transformed into one of the world's hippest neighborhoods.

Until relatively recently, it was mainly a warehouse district. Some bohemians and artists moved in and parlayed the graffiti covering the warehouse walls into an expansive display of serious street art, creating one of the most unique arts districts anywhere.

Spanning block after block of avant-garde imagery, there's nothing quite

like it. With high-concept art applied to utilitarian buildings, the vibe is supremely ironic yet completely authentic. Stroll Wynwood Walls, a delightful outdoor gallery envisioned and brought to life by South Beach developer Tony Goldman.

The whole neighborhood boasts more than 70 art galleries, museums and art collections. Park the car and walk in any direction to discover captivating imagery, both inside the many showrooms and outside on the streets.

Dining in Wynwood is its own event. Restaurants here offer a veritable feast. You can eat indoors among countless works of art or enjoy a front-row view of the Wynwood Walls while dining on an outdoor patio. Fans of craft beer and interesting crowds seek out breweries like Wynwood Brewing Company and Veza Sur Brewing.

MIAMI DESIGN DISTRICT

Curators of modern interiors, architecture, and fashion can happily pass the time in the Design District, local nexus of art galleries, showrooms, creative services, architectural firms, fashion stores, antiques dealers, cafés and bars. In addition to the visual, applied and decorative arts, cultural happenings take place in the area.

If shopping beckons, the Design District is home to top names in fashion, including Piaget, Hermès, Givenchy, Marni and Harry Winston.

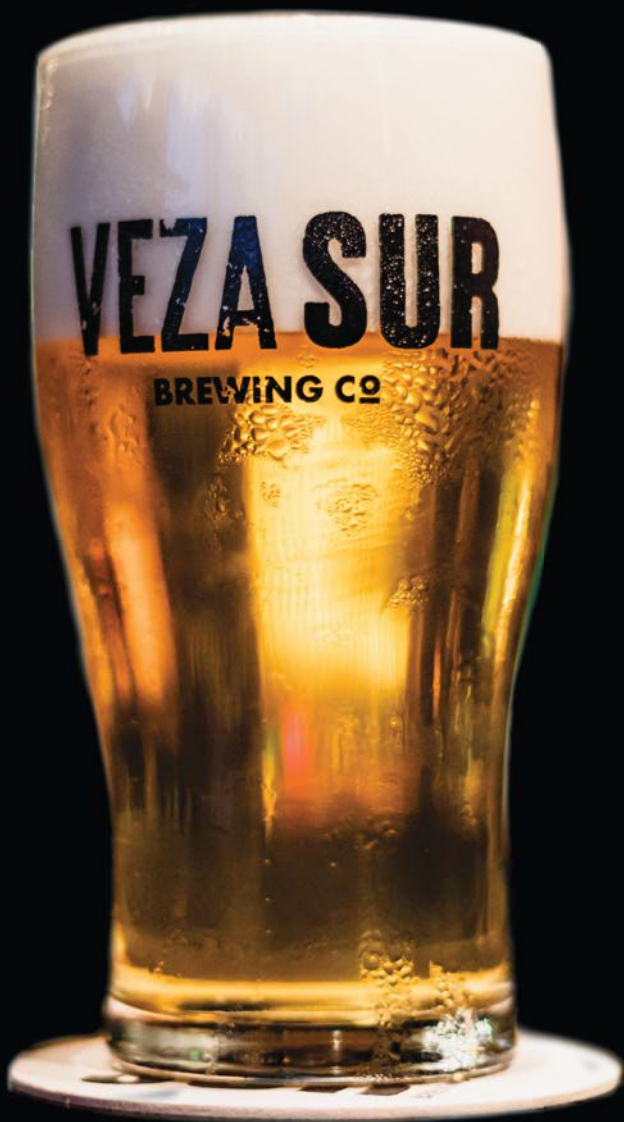

After exploring the worlds of art and design, make an evening of it in the Design District at places like Michael's Genuine Food & Drink or Estefan Kitchen, the latest venture from Gloria and Emilio Estefan, combining Cuban cuisine and music.

Jorge Ramirez

There are dozens of other dining choices here as well.

The Moore Building, a historic structure built in 1921, hosts special events throughout the year. The Institute of Contemporary Art, Miami (ICA Miami) is opening in December 2017 in its new permanent home offering more than 20,000 square feet of galleries and a sculpture garden.

BAL HARBOUR

© Gregory Wrona/Alamy

Incorporated in 1946, this exclusive beach town at the northern tip of Miami Beach is a pedestrian-friendly community of beautiful homes, world-class resorts and shops. Bal Harbour’s natural style is also complemented by its artistic sensibilities. One example is Unscripted Bal Harbour, a public art initiative whose Art Access program for residents and visitors provides free admission to, and private

tours of, the area’s top museums and private collections.

Upscale on a scale of its own, Bal Harbour Shops keeps the village feel going with open-air walkways, fountains and palms leading the way to a collection of shops that represent the crème de la crème of the retail universe — Aquazzura, Bulgari, Carolina Herrera, Chanel, Escada, Dolce & Gabbana, Fendi, Goyard, Gucci and many more.

When visiting Bal Harbour Shops, you can recharge at one of several restaurants and cafés such as Makoto, a high-end Japanese eatery, or Le Zoo, a French brasserie.

Bal Harbour is also home to luxurious hotels: The Ritz-Carlton, Bal Harbour; Sea View Hotel and The St. Regis Bal Harbour Resort.

SURFSIDE

Long walks on the beach were practically invented in this waterfront haven just north of Miami Beach. While in Surfside take advantage of the Surfside Community Center, home to a recreation pool with lap lanes, plunge pool and slide, a children’s activity pool, Jacuzzi and walk-up cafe. Surfside also has a world-class tennis facility, playgrounds, beachside path, and a dog park.

Next to Surfside’s Community Center is a public art exhibition featuring the Florida Loggerhead Sea Turtle. “Turtle Walk,” located on 93rd Street between Collins and Harding avenues, is home to 13 turtle sculptures by South Florida artists. Steps away from the ocean, Downtown Surfside, located on Harding Avenue between 94th and 96th streets, satisfies retail

cravings with its stylish boutiques. In these two blocks, you will encounter a collection of fine jewelers, salons, clothing boutiques, restaurants and more. Harding Avenue is also home to a delicious collection of restaurants.

The Four Seasons Hotel at The Surf Club opened in early 2017, occupying nine acres of oceanfront and gardens in Surfside.

AVENTURA

Jorge Ramirez

Greater Miami's northernmost neighborhood is one of its most fashionable destinations. The striking residential towers of Aventura rise over flowing waterways, lush parks and golf courses, including two championship courses at the legendary Turnberry Isle Miami resort.

Aventura's tropical tranquility is on full display at a variety of open spaces including the 12-acre Founders Park, offering an exercise trail, the pet-friendly Waterways Dog Park and three tennis courts.

Aventura Mall is a destination unto itself, drawing 29 million visitors every year. Anchored by five department stores, including Nordstrom and Bloomingdale's, Aventura is home to a collection of upscale boutiques and more than 300 of the world's most iconic retailers, including Burberry, St. John, Omega, Givenchy and Gucci.

Après shopping, guests unwind at a 24-screen AMC Movie Theatre with IMAX, and a tempting selection of restaurants and cafes. The mall also boasts a monthly market showcasing local and organic produce and artisanal treats.

The heart of the city's cultural rhythm is the Aventura Arts & Cultural Center. The elegant, waterfront 330-seat venue curates a host of live events annually, including concerts, musicals and comedy shows.

SUNNY ISLES BEACH

Set on the northern end of Miami Beach, Sunny Isles Beach is a seaside enclave where luxury hotel towers overlook its golden shoreline.

The area is also home to lush parks, like Heritage Park, which hosts the Sunny Isles Beach Jazz Fest every fall. Across the Intracoastal Waterway from Sunny Isles, you can enter the green haven of Oleta River State Park. Hike among the birds, butterflies, bats and owls. Reserve canoes or kayaks at the ADA-accessible facility and follow the tranquil Oleta River past mangroves and other native trees, while manatees and turtles glide by silently.

The hotels lining the ocean in Sunny Isles Beach are a short walk from several

Courtesy of Acqualina Resort & Spa

shopping centers, while a free community shuttle goes to nearby Aventura Mall and the Intracoastal Mall, among other stops.

Resort dining here is exceptional — AQ by Acqualina and Il Mulino New York at Acqualina Resort & Spa on the Beach, Fresh American Bistro at Solé on the Ocean and Neomi's Grill at Trump International Beach Resort are just a few choices — but the entire area is filled with delicious options.

LITTLE HAVANA

Russell Kord/Alamy

Declared a national treasure by the National Trust for Historic Preservation, this slice of the motherland created by Cuban exiles in the 1960s hums with perpetual activity, especially along Southwest Eighth Street (or Calle Ocho).

Cuban retirees gather to play dominoes and discuss politics at Máximo Gómez Park, popularly known as Domino Park. Half a block west, the Tower Theater screens films in Spanish and English. Weekends on Calle Ocho

heat up with the *Viernes Culturales* (Cultural Fridays) Arts and Culture Festival, a street fair held the last Friday of every month.

Cigar factories and shops are popular attractions. Many stores feature authentic rolling rooms. Little Havana also is home to many unique shops selling items such as traditional guayabera shirts. Cuban cuisine has become a quintessential Miami food. Tour guides and locals alike will point you towards the best Cuban restaurants.

LITTLE HAITI

Jorge Ramirez

This community is a pillar of Caribbean history, music and art, with the Little Haiti Cultural Complex (LHCC) at the forefront of its cultural programming. LHCC's neighbor, the Haitian Cultural Arts Alliance, also

presents art exhibits along with poets, musicians and artists.

The vivid streets of Little Haiti bustle with family-owned businesses, hip furniture emporiums, music stores, book shops and clothing boutiques. Stop by *Libreri Mapou* to browse its well-curated collection of Haitian books, Haitian art and French, English and Creole titles.

The Caribbean Marketplace is designed as a replica of the Iron Market in Port-au-Prince. It's the place to shop for fine art, jewelry, handmade souvenirs, collectibles, fashion and to enjoy live entertainment and island cuisine. Haitian food is known for its savory Creole and tropical flavors blended with African and French influences.

HISTORIC OVERTOWN

Adjacent to Downtown Miami, Overtown was a thriving African-American community of locally owned businesses from the early 1900s until the 1960s. Anchoring the district was the Lyric Theater, built in 1913 and now listed on the National Register of Historic Places. Today, the recently restored theater showcases local talent.

Make some time to explore the striking work of self-taught urban artist Purvis Young, located at the highway overpass wall at Northwest 11th Street and 3rd Avenue, at the Public Library branch at Northwest 13th Street, and outside the Northside Metrorail station.

The Black Police Precinct and Courthouse Museum preserves historical memorabilia from the first Black police officers in Miami.

Cris Ascunce

Built in 1913, the D.A. Dorsey House was home to one of Miami's most prominent Black businessmen, pioneers and philanthropists, Dana A. Dorsey, who helped organize South Florida's first Black bank.

Eateries like Jackson Soul Food reflect the area's rich culture, with southern and island influences.

LIBERTY CITY

This largely African-American community in Greater Miami's northwest corner once thrived, before falling on hard times from the late 1960s to the early 1980s. But determined local leaders put it back on the radar, and their efforts are paying off with increased commercial development and area beautification, including Liberty City's famed outdoor murals.

Miami was a special place for Dr. Martin Luther King Jr. He visited regularly and stayed at the Historic Hampton House in Liberty City when he visited. Other notables who stayed there include Muhammad Ali, Sammy Davis Jr. and Jackie Robinson.

In 1977, Miami was the first city in the country to organize a Dr. Martin Luther

King Jr. Day Parade. The parade features floats, marching bands, Carnival dancers, student athletes and community leaders along Liberty City's Martin Luther King Jr. Blvd.

Dr. King is honored along Northwest 62nd Street at 7th Avenue, with a mural by the late artist Oscar Thomas. The mural, "Prince of Peace," depicts several images of Dr. King in oration.

The African Heritage Cultural Arts Center is nearby, presenting a full calendar of performing arts events.

AIRPORT AREA

Miami International Airport (MIA) has been blazing the trail for art in airports since the 1970s with the Art in Public Places initiative. It has one of the most compelling art collections of any airport.

Two public golf courses are within swinging distance of the airport — International Links

Miami Melreese Country Club and Miami Springs Golf and Country Club. Nearby Miami Springs is also home to Curtiss Mansion, the restored former home of famed aviator, inventor, and South Florida land developer Glenn H. Curtiss.

Feeling lucky? Magic City Casino is minutes away, offering gaming and an eclectic concert series.

Dan Rios

DORAL

Jorge Ramirez

Doral is a multifaceted neighborhood of residential districts, cultural activities and international dining, with a thriving commercial scene that includes major media corporations, a portfolio of multinational companies and the Doral Décor District (DDD), a mecca for designers, artists and architects.

Doral's convenient location directly west of Miami International Airport makes it an ideal place for shopping. Miami International Mall and the Dolphin Mall outlet center are easily accessible. City Place Doral just opened, offering a dynamic lineup of restaurants and nightlife venues. The city flexes its cultural muscle at the Museum of the Americas (MoA), dedicated to promoting both established and emerging contemporary artists from around the world.

HIALEAH

Hialeah Park Race Track is one of the world's most beautiful racing courses.

Visit Monument Park, also known as Cuban Heritage Park, or head to picturesque Entrance Plaza Park. Amelia Earhart Park is home to the Miami Watersports Complex, offering wake boarding, wake-surfing, waterskiing and more.

J. Kevin Foltz

The Leah Arts District is a sizeable slice of the neighborhood carved out for muralists and other artists to live and work. West 49th Street is a busy shopping corridor that includes the classic Palm Springs Mile and Westland Mall.

KEY BISCAYNE

Elizabeth Crego/Alamy

The islands of Virginia Key and Key Biscayne sparkle along the Rickenbacker Causeway. Families, friends and dogs join impromptu tailgate parties along the

newly upgraded causeway-frontage beach and launch colorful sailboats.

On Key Biscayne, enormous Crandon Park offers renowned golf and tennis facilities, as well as a full-service marina. The Crandon Park Tennis Center is home to the Miami Open tennis tournament.

At the southern tip of Key Biscayne, Bill Baggs Cape Florida State Park is home to a lighthouse built in 1825. Visitors can climb the 109 steps inside the lighthouse for unmatched views.

Swimming, canoeing, kayaking, camping, fishing, bicycling and picnicking are some of the activities visitors can enjoy in the 400-acre park, which features barbecue grills as well as two restaurants.

Head to the Village of Key Biscayne to explore the unique shops, boutiques and restaurants.

VIRGINIA KEY

Virginia Key is a lovely islet of mangrove forests that features nature walks, picnic areas, bike trails and water sports equipment rentals. During segregation, it was one of the only places where Black people could access the beach. It has a rich cultural history and played a significant role in the Civil Rights movement of South Florida.

Now, Historic Virginia Key Beach Park is listed on the National Register of Historic Places and offers lifeguards and a host of facilities for all to enjoy. The 82.5-acre beachfront park re-opened in early 2008 after undergoing a multimillion-dollar campaign to restore the pristine shoreline.

Historic Virginia Key Beach Park

On Virginia Key you will also find the famous Miami Seaquarium. It covers 38 acres, with sea turtles, manatees, wild birds and fish of every size and color. In this world-class marine-life entertainment park, visitors can enjoy dolphin interaction programs at Dolphin Harbor or walk underwater among tropical fish during a Sea Trek Reef Encounter.

Amazing **ATTRACTIONS**

Greater Miami and the Beaches is home to countless attractions and is the gateway to four parks managed by the National Park Service, so visitors have unlimited entertainment options. Snorkeling, swimming with dolphins, playing with monkeys and conversing with parrots are only a small fraction of the attractions for visitors to enjoy.

MIAMI GETS CRAFTY

Courtesy of Concrete Beach Brewery

From Wynwood to Coral Gables, new breweries are popping up all over town and are slowly taking over Miami nightlife.

Artisan ventures are adding innovative flavors, twists, turns and combinations straight from the tap. Some breweries are even downright flavor laboratories that experiment with local flavors and add their own signature takes, while offering informative tours about their innovative and sometimes traditionally artisanal processes. Seasonal favorites include mango-based

beer scene has become a diverse kaleidoscope of choices.

Many breweries are taking advantage of Miami's culinary acumen, with many spots offering tapas and light fare. Biscayne Brewing Company combines its inventive Miami Pale Ale, Saison and Double Nine IPA with savory bites. Fritz and Franz Bierhaus in the Gables pairs traditional German and Austrian dishes with their Das Boot, served in, you guessed it, a tall glass boot. Also in the Gables, Titanic Brewery & Restaurant brings 20 years of history to their brews.

Veza Sur Brewing Co. in Wynwood offers a laid-back yet vibrant Latin vibe with 18 locally brewed beers on tap. Whether it's celebrating Miami's Cuban culture on Havana Nights, taking a Brew House Rock class, or enjoying a pint in the

brewery's Social Hall, Concrete Beach Brewery gives you a reason to make a repeat visit.

And while clubs still set our hearts pumping, microbreweries are favored by a more casual crowd that likes to strike up friendly conversations over tapas.

Although the beers are refreshing and delicious, it's the crowds that keep you coming back for more. From eccentric live local acts to outdoor beer gardens, Miami's

5 SCENIC DRIVES IN GREATER MIAMI

1. Old Cutler Road:

Start your drive at Cartagena Circle in Coral Gables and keep heading south. This charming, banyan tree-shaded road winds through Coral Gables, Pinecrest, Palmetto Bay and Cutler Bay.

2. Ocean Drive:

Located between 1st and 15th streets in Miami Beach, attractive pedestrians will try to distract you from the Art Deco landmarks and glistening Atlantic Ocean.

3. Rickenbacker Causeway:

Exit I-95 southbound right before it becomes US 1 then head to Key Biscayne and enjoy stunning views of the Atlantic Ocean and panoramic sights of Downtown Miami.

4. A1A:

Roll down those windows as you breezily cruise from South Beach northbound to Golden Beach. The route will have you enjoying ocean views, fashionable high-rises, legendary hotels and oceanfront mansions.

5. Tamiami Trail (US 41):

Your drive begins in Downtown Miami and soon turns into Southwest 8th Street (Calle Ocho). Eighteen miles later driving west, you will encounter Everglades National Park and Big Cypress National Preserve.

TOLL ROADS

Florida's Turnpike and portions of some highways in Miami are toll roads. Tolls are automated and there is no need to stop at a toll booth. If you are renting a car, ask your car rental agency about options for paying tolls. Some rental cars are equipped with a SunPass, PlatePass® or Pass24® to pay tolls electronically. If your car does not have one of these devices, you can use Toll-By-Plate. Just drive through and the tolls will be added to your final bill. An administrative fee will be added.

TIPS AND INFORMATION FOR USING THE I-95 EXPRESS LANES

The Express Lanes are for long-distance trips ONLY. The toll varies depending on the current level of I-95 congestion, and is clearly posted overhead. Tolls are collected electronically, so if you want to use 95 Express, make sure you have a SunPass, PlatePass® or Pass24®. If you are in a registered hybrid vehicle, vanpool or 3+ carpool, or if you drive a motorcycle, you can use 95 Express toll-free.

NORTHBOUND

- Drivers may enter the lanes from eastbound State Road 112, northbound I-95 just south of SR 112 or from the Northwest 10th Avenue ramps to I-95.
- There is no exit for approximately seven miles until just north of Northwest 151st Street.

SOUTHBOUND

- Drivers may enter the lane at Miami Gardens Drive/186th Street.
- There is no exit for approximately seven miles to S.R. 836/Dolphin Expressway.

ONCE IN THE LANES...

- Do not stop in the express lanes.
- Do not attempt to exit early by driving around or between the plastic poles.

For complete information, call 1-877/959-3368 or visit 95express.com.

PUBLIC TRANSPORTATION

There are several economic methods of public transportation available throughout

Greater Miami and the Beaches. **Metrorail** is a 25-mile elevated rail system that serves Downtown Miami and extends west to Miami International Airport and Hialeah, and south to Kendall, with stops approximately every mile. **Metromover** features individual motorized cars that run atop a 4.4-mile elevated track looping around Downtown Miami and to the Brickell and Omni business districts. **Metrobus** offers more than 95 routes in Miami-Dade County. **Tri-Rail** is a commuter rail system with 15 stations throughout Miami-Dade, Broward and Palm Beach counties. To learn more about public transportation options, please visit www.miamidade.gov/transit or call 888/311-3233.

MIAMI-DADE TRANSIT EASY CARD/EASY TICKET

The **EASY Card** is a durable plastic reloadable fare card. It is part of Miami-Dade Transit's automated fare collection system. Fareboxes with "smart card" technology are installed on buses and fare gates at all Metrorail stations. Visitors and people who are not daily commuters can take advantage of the **EASY Ticket**. It works like the EASY Card, but expires after 60 days and is made of paper. To ride Metrorail, you must use an EASY Card or EASY Ticket as the faregates do not accept cash. Metrobus fareboxes still accept cash, and you can pay using dollar bills, quarters, dimes, and nickels. For more information, visit www.miamidade.gov/transit/easy_card.asp.

BRIGHTLINE

Beginning in late 2017, the Brightline offers rail service to and from Fort Lauderdale and Palm Beach, from Downtown Miami's brand new MiamiCentral Station. Visit gobrightline.com for more information.

EMERGENCY TELEPHONE NUMBERS

Emergency: Dial 911 to get help quickly in an emergency situation. An operator will connect you to the police, fire department or ambulance service.

ELECTRICAL CURRENT

All personal appliances run on 110/115 volt, 60-cycle current. International visitors may need to use adapters or converters.

GRATUITIES

Customarily, gratuities are paid to hospitality industry personnel who render personal services. As a general rule of thumb, 15 percent of the total cost for services is usually appropriate. Occasionally, you may find a restaurant has already added the gratuity to the final bill. If you are given assistance with your baggage, \$1 per bag is appreciated. Taxi drivers are usually tipped 15 percent of the fare. When a doorman or valet calls for a taxi, a \$1 tip is generally appropriate. This is also true for the attendant who retrieves your car from valet parking. When tipping for maid service, \$1 per night is a good guideline. Should you engage a concierge's services, tip according to the type of service provided.

DRIVING & TRAFFIC REGULATIONS

U.S. law stipulates driving on the right-hand side of the road and passing on the left. Right turns are permitted at red lights unless otherwise indicated by a sign at the intersection. Always proceed with caution and carefully note posted speed limits: 15 miles per hour (mph) in school zones, 30 mph in business or residential areas and 55 mph on most expressways, unless road conditions warrant lower speeds. Florida's Turnpike and certain major expressways are toll roads. All people riding in an automobile are required to wear seat belts. Children under five years of age must be fastened securely in government-approved child car seats. Division of Driver Licenses: 305/229-6333. The state of Florida recognizes valid U.S. driver licenses, international driver licenses and valid licenses issued in other countries.

Parking: There is parking available at parking lots, garages and meters in all areas. When parking, pay attention to the amount of time and rate indicated on the meter. Many areas have automated parking kiosks or pay-by-phone options instead of meters. The fine for an

expired meter or failure to pay is \$18; \$45 if not paid within 30 calendar days. Rates for parking lots and garages may vary. Check displayed information for rates and hours of operation.

Tow-Away Zones: Tow-away zones are indicated by signs posted at the curb. Persons in violation may be charged a fine in addition to towing and storage fees. If your car has been towed, contact the municipality where it was parked for further details.
