WELCOME TO OUR AUSTRALIA GUIDE

Experts in Australia, New Zealand and South Pacific

G'DAY!

It is now 40 years since Austravel first started creating extraordinary tailor-made holidays to Australia, with our expertise and passion for the land 'Downunder' as fresh now as it was then.

Everyone that works at Austravel has travelled extensively around Australia, New Zealand and the South Pacific, so can genuinely tailor a holiday to suit your personal requirements. All our expert Travel Designers can offer personal recommendations – from the best hotel to stay in, when to go and, most importantly, those day trips and experiences that just can't be missed! This year's 'Essential Guide to Australia' is packed full of ideas which can be combined to create a unique holiday perfect for you, should this be your first trip to Australia, or if you are planning to return to explore somewhere different. With Australia being such a large country there are various ways to explore, so ideas on how to travel are included – such as adding an epic rail journey, relaxing on an escorted coach tour, or the freedom of a self-drive car or campervan trip.

Knowing that spotting the indigenous wildlife is on everyone's 'wish-list' we have also highlighted some of the top experiences available across the country, ranging from watching the Little Penguins of Phillip Island venture in from the sea each evening, to swimming with the gentle giants of the sea – whale sharks (p22-23). For those looking for something more active the selection of Great Walks of Australia (p20-21) will be the perfect excuse to pack your walking boots!

Throughout the brochure we have also highlighted some exceptional Austravel Unique Experiences which we feel that everyone should try and include – if you can! For even more ideas, visit austravel.com, or speak to one of our specialist Travel Designers who are ready to help you. Enjoy your travels!

Terms & Conditions | Austravel

Please read these booking conditions, and the additional information on our website carefully, they form an important part of the contract for your holiday.

All holidays are advertised in our brochures and on our website are operated by Travelwood Limited trading as Austravel, registered number 1934932 (hereinafter called the "Company", "we", "us" or "our"), a member of the Travelvoga Group of Companies, of Origin One, 108 High Street, Crawley, West Sussex RH10 1BD, and are sold subject to the following conditions:

Insurance:

Please Note: Adequate and valid travel insurance is compulsory for all our travellers and it is a condition of accepting your booking that you agree you will have obtained adequate and valid travel insurance. We recommend you take out insurance as soon as your booking is confirmed.

1. Our Financial Protection

The Package Travel Package Holidays and Package Tours Regulations 1992 requires to provide security for the monies that you pay for the package holidays booked from us and for your repatriation in the event of our insolvency.

We will provide you with financial protection for your ATOL protected flight or flight inclusive holiday that you buy from us by way of our Air Travel Organiser's Licence number 3555, administered by the Civil Aviation Authority ("CAA"). When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. You also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you are entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claim which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. The price of your holiday includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices.

When you buy an ATOL protected flight or flight inclusive holiday, all money accepted from you by a travel agent acting as our agent is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

When you buy arrangements other than an ATOL protected flight or flight inclusive holiday, all money accepted from you by a travel agent acting as our agent is held by that agent on our behalf at all times. We will provide you with financial protection for any package holidays you buy from us that do not include travel by air by way of a bond held by ABTA. For further information, visit the ABTA website at www.abta.com.

If you book arrangements other than an ATOL protected flight or a package holiday, the financial protection referred to above does not apply. We are a Member of ABTA, membership number W0656. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct.

2. How to Book

To make a booking you can contact us in several ways; directly over the telephone via our website at www.austravel.com, through an approved Travel Agent or by email at traveldevisers@austravel.com. The person making the booking (the 'lead name') will be 18 years old or over and possess the legal capacity and authority to make the booking and accepts these booking conditions on behalf of everyone in their party. Whether you book alone or as a group, we will only deal with the lead name in all subsequent correspondence, including changes, amendments and cancellations. The lead name is responsible for ensuring the accuracy of the personal details on any information supplied to us in respect of yourself and any other person travelling on the booking and for passing on any information regarding the booking or any changes made in relation thereto, to all persons travelling on such booking, including but not limited to information on schedule changes or copies of booking confirmations. You will need to pay a deposit at the time of booking in the amount notified to you at the time of booking. You may also be required to pay for any non-transferable and non-refundable items such as special air fares, theatre tickets, attraction tickets or entry permits and any other applicable supplements due at the time of booking, for example, including without limitation "Accommodation Only", "Late Bookings" and "Weddings". Some airfares are booked at especially competitive rates to which airlines may apply a surcharge restriction. We may be unable to provide you with certain services and they may be non-refundable in the event of cancellation. Details will be given at the time of booking. Please note that cheques require 5 working days to clear. Cheques that will not clear by the balance due date cannot be accepted. We only accept card payments from passengers travelling on the booking.

We will then invoice you for the remainder of the cost due before you travel, which you must pay not later than 69 days before departure for bookings made via an agent, or no later than 83 days before departure for bookings made directly with us. To pay your final balance, amend your booking or discuss any other aspect of your holiday booked directly with us, call our Customer Services team. When you book your holiday through an approved travel agent, all communication between you and us will be made through that agent, as such please contact your agent in the first instance, as no changes can be made to your booking unless they are done through your agent. If you book less than 69 days before departure for bookings made via an agent, or less than 83 days before departure for bookings made directly with us, full payment (less any payment which must be paid locally) must be made on booking by credit or debit card. If you do not pay the balance by the due date your booking will be cancelled and you will forfeit your deposit plus any other relevant charges. If you do not pay the local payment on the due date your booking will be cancelled (and we shall have no further liability to you) and cancellation charges will be levied as appropriate.

If we accept your booking, we will issue a Booking Confirmation and Invoice. A contract will exist between you from the date we issue the Booking Confirmation and Invoice or if you book within 7 days of departure the contract will be deemed to exist from the date we receive your booking. The Booking Confirmation and Invoice and your Departure Documents please check the details carefully and inform us immediately if anything is incorrect. Names on travel documents must exactly match those in your passports. Unless we are responsible for the mistake, we will not accept liability if an airline or other supplier refuses boarding because the name(s) shown in your passport differ from those on your ticket. If there is an obvious error on the Confirmation Invoice, we reserve the right to correct it as soon as we become aware of it, but will do this within 7 days of issuing the Confirmation Invoice or, if your departure is within 7 days, no later than 24 hours before you go. If any of these changes are not acceptable then you will be entitled to a full refund. Travel documents will be sent or emailed to you (to the address given to us by the lead name at the time of booking) approximately 2 weeks before your departure, and will not be issued unless payment of the due balance has been received and any cheques have cleared. Bookings made 14 days or less before departure incur a £15 per person administration charge and tickets will not be sent out by post but more than likely have to be collected at the airport on the day of departure. It is essential that you ascertain whether or not you can obtain relevant visas and inoculations before making your booking. We cannot accept any liability for tickets lost in the post. Departure Documents may be in paper or email form depending on your chosen holiday. If requested in the Departure Documents or locally provided holiday information, you must confirm the reservations, timings and check-in details of your flight with the airline concerned at least 72 hours before departure. This applies to your outward flight and to your return flight. If you miss a flight or suffer any disruption as a result of not following our instructions to so reconfirmation we will have no liability to you.

For those holidays where an additional local payment is required this will be confirmed to you. A local payment is a portion of the holiday cost which must be paid directly to the local representative as instructed. If the price of your holiday includes a local payment this must be paid in the currency specified. Please note that your tour price will not be considered to have been paid in full until the local payment has been made.

Tourist taxes, resort fees or similar that are charged locally may be implemented or changed without prior warning. We do not accept responsibility for these costs, which must be paid by you and are not included within your holiday price. Your personal safety is paramount importance to us and therefore it is imperative that you advise us at the time of booking of any condition, medical or otherwise, that might affect your or other people's enjoyment of the trip. It is a condition of your booking that you and all members of your party provide certain information that may be sent to governmental authorities and border control and security agencies for the purpose of security and counter terrorism. This is known as Passenger Name Records (PNR) or Advanced Passenger Information, sometimes known as APIS. For the United Kingdom, it may be referred to as E-Borders. The information you must provide will include, but will not be limited to, full name – as shown in your passport or travel documents, gender, date of birth, travel document type, number, country of issue and expiry date, and for travel to the USA, you will also need to provide your details and your flight night stay. You must provide this information to the airline between 6 months and 24 hours before departure.

We may transfer your booking to another company within our group, but this will have no effect on your holiday arrangements.

3. Prices, Surcharging, and Air Passenger Duty

All guide prices and advertised prices are accurate at the date published but we reserve the right to change any of those prices from time to time. Prices include a cost for fuel that was estimated at the date of this publication. Prices on our website are updated regularly in the unlikely event of an administrative error leading to an incorrect price being displayed, we reserve the right to correct it. Offers are not combinable unless expressly stated and may be withdrawn at any time. All quotations are provisional until confirmed in writing on your Booking Confirmation and Invoice. Before you make a booking we will give you the up-to-date price of your chosen holiday including the costs of any supplements, upgrades or additional facilities which you have requested.

Changes in transportation costs, including without limitation the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 30 days of your departure. Any changes in taxes, entry fees and/or charges that we collect at net cost on behalf of local and government bodies will be passed on to you in full or refunded to you in full (Net Cost Charges). We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums, Net Cost Charges and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you may either accept a replacement holiday from us of equivalent or similar standard and price (at the date of the change) if we are able to offer you one or you may cancel your holiday booking and receive a full refund, except for any administrative charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. If any change in our costs would cause a reduction in your holiday price, we will not make refunds of amounts less than 2% of the price of your travel arrangements, which excludes insurance premiums, Net Cost Charges and any amendment charges, but we will refund in full amounts exceeding such 2%, after deducting an administration charge of £1.00 per person. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protections in place.

In all cases, we will only consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Dates and itineraries shown for tours are indicative only and subject to change. Air Passenger Duty "APD", which is payable by passengers departing from UK airports, is included in the price of your holiday/flight ticket. Children under 12 on the date of travel (under 16 from March 2016) are exempt from APD when travelling in economy class. The price of your holiday will include APD for an economy seat. If you upgrade to a premium cabin this will be included in the upgrade cost. In view of the current volatility of world oil prices, a fuel supplement may be added to the price of your holiday at the time of booking.

4. Insurance

Adequate and valid travel insurance for your chosen itinerary is compulsory for all travellers and it is a condition of accepting your booking that you agree you will have obtained adequate and valid travel insurance. We recommend you take out insurance as soon as your booking is confirmed. You are strongly advised to ensure you have sufficient insurance to pay rates for the full adult fare. Children using a free child place will not receive any standard compensation payment. We strongly recommend that you make no travel arrangements to your point of departure, make any connecting travel that is non-refundable or non-changeable or incurs penalties or incur any costs in respect of visas or vaccinations until such time as your travel itinerary has been confirmed on your Departure Documents. If you make such arrangements, which you are then unable to use due to a change in your itinerary, we shall not be liable to you for the cost of those arrangements. Circumstances amounting to "force majeure" include any event which we or the supplier of the service(s) in question could not even with all due care, foresight or foresight such as (by way of example and not by way of limitation) war, threats of war, riots, civil disturbances, industrial disputes, actual or threatened terrorist activity and its consequences, natural or nuclear disasters, fire, acts of God, unavoidable and unforeseeable technical problems with transport for reasons beyond our control or that of our suppliers, closed or congested airports or ports, hurricanes and other actual or potential adverse weather conditions, flood, epidemics, health risks or pandemics or illness and any other similar events.

In the unlikely event that there are any changes made to other holiday arrangements, we will try to tell you before you go, although we are not obliged to do so, nor are we obliged to compensate you. If your booking for other holiday arrangements are cancelled we will do our utmost to ensure you receive a full and prompt refund of the price of these arrangements.

Tour, Safari and Excursions: Some are dependent on minimum numbers, others will operate with one booking. In the case of insufficient demand we reserve the right to consolidate or cancel. If this is required you will be offered a full refund. We will not make any such changes within 69 days (for agent bookings) and 83 days (for direct bookings) of departure. We reserve the right to make changes such as dates, itineraries (those shown are indicative only, are subject to change and may be affected by local conditions), accommodation, cruise ship, mode. Changes to that of a similar standard will not be considered a major change. Should there be a discrepancy between the itinerary or additional information in the brochure or website and the Departure Documents, the latter information will be considered the most up-to-date and accurate.

7. Our Liability, Conditions of Carriage and Limitations
Our obligations, and those of our suppliers providing any service or facility included in your holiday, are to take reasonable skill and care to arrange for the provision of such services and facilities. You must show that reasonable skill and care has not been used if you wish to make any claim. Standards of, for example, safety, hygiene and quality vary throughout the transport and destinations that your holiday may involve. Sometimes these standards will be lower than those which would be expected in the UK. The suppliers of the services and facilities included in your holiday should comply with local standards where they are provided.

Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of 3 times the cost of your travel arrangements. Our liability in all cases shall be limited in accordance with and/or in an identical manner to the contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and any relevant international convention as detailed below. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. You can ask for copies of the transport companies' contractual terms and the international conventions that our offices at Travelwood Limited, Legal Department, Origin One, 108 High Street, Crawley, West Sussex RH10 1BD. We shall have no liability where the cause of the failure to provide, or failure in, your holiday or any death or personal injury you may suffer is not due to any fault on our part or that of our agents or suppliers, because it is either attributable to you, or attributable to someone unconnected with your holiday and is unforeseeable or unavoidable, or is attributable to our employees, agents, subcontractors and suppliers and their staff whilst acting outside the scope of their employment, or is due to information, however obtained, from outside sources such as independent third party websites, or is due to unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which neither we, nor our agents or suppliers could have foreseen or forestalled, or related to any consequential loss not directly connected to the contract with us.

If any international convention applies to, or governs, any of the services or facilities included in your holiday arranged or provided by us, or provided by any of our suppliers, and you make a claim against us of any nature arising out of death, injury, loss or damage suffered during or as a result of the provision of those services or facilities, our liability to you compensation and/or the amount (if any) of compensation payable to you by us will be limited in accordance (and in an identical manner to that provided for) by the international convention concerned (in each case including in respect of the conditions of liability, the time for bringing any claim and the type and amount of any damages that can be awarded). International Conventions that may apply, without limitation, in respect of international air travel, the Warsaw Convention 1929 (as amended), or the Montreal Convention 1999 in respect of rail travel, the Berne Convention 1961 in respect of carriage by sea, the Athens Convention 1974, in respect of carriage by road, the Geneva Convention 1973; and, in respect of hotels, the Paris Convention 1962. For the avoidance of doubt, this means that we are to be regarded as having all benefit of any limitations of compensation contained in any of these Conventions or any other international conventions applicable to your holiday. Other than as set out above, and as is detailed elsewhere in these booking conditions, we shall have no legal liability whatsoever to you for any loss or damage.

Under EU law, European Community Regulation (EC) No. 261/2004, you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to your flight. Full details of these rights will be published on EU airports and will also be available from airlines. However, you should note that reimbursement of the cost of a flight that forms part of your holiday is the responsibility of your holiday airline and will not automatically entitle you to reimbursement of the cost of your travel arrangement from us. Your right to a refund and/or compensation from us is set out in these Booking Conditions. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount. If your airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel on 020 7240 6061 or www.caac.co.uk.

If you purchase any optional activities that are not part of your pre-booked itinerary, the contract for the provision of those activities will be between you and the provider. The liability to pay for such activity is entirely at your own discretion and risk. If you do have any complaint about, or

In certain cases a 100% cancellation fee applies as soon as the booking is made and the ticket is issued. Please ask for full details of cancellation charges at time of booking. We strongly recommend you to take out insurance that includes cover against irrecoverable cancellation costs. Additionally, you will incur responsibility for the full amount of your insurance premium and this will not be refunded in the event of your cancellation. You may however be able to transfer this cover to another holiday. If you are travelling on a scheduled flight, we cannot give you any refund until we have received your old travel documents, including tickets. 5.7 All communications relating to this contract (in particular any requests to cancel or amend your holiday arrangements) must be from the Lead Name in writing and in English and delivered by hand or by electronic means to customerservices@austravel.com. (please call us also to ensure you have been received) or sent by recorded delivery post to Travelwood Limited, The Atrium, London Road, Crawley, West Sussex, RH10 9SR.

6. If We Change or Cancel Your Holiday

We reserve the right to cancel your booking or change any of the facilities, services or prices described in our brochures or website. We will endeavour to advise you of any changes known at the time of booking. We plan the arrangements for your holiday many months in advance and may occasionally have to cancel your holiday or make changes, most of which are minor. Flight timings and carriers shown in the brochure are for guidance only and are subject to change. Your Booking Confirmation will show the latest planned timings. Your actual flight timings will be shown on your ticket (including any e-ticket itinerary) which you should check carefully as soon as you receive it. A change of carrier or type of aircraft will not be considered a major change. If a major change becomes necessary, we will advise you of the change as soon as reasonably possible. Whether a change is 'major' depends on the nature of the holiday and may include a significant change of destination, a change in accommodation that is of a lower category, a change in time of your scheduled departure or return flight by more than 12 hours (but not a flight delay), or a change of UK departure airport (excluding changes between London airports, London, Ebbwfließ and Ashford stations and between Dover/Folkestone ports). A delay to your flight that we need to make within 24 hours before you are due to depart will not be considered a major change unless the change is for more than 24 hours. These changes are only examples and there may be other significant changes which constitute major changes. When a major change occurs, you will have the choice of either:

- accepting the change, or
- accepting a replacement holiday from us of equivalent or similar standard and price (at the date of the change), if we are able to offer you one, or
- cancelling your holiday, in which case you shall receive a full refund of all monies paid.

We may also have to cancel your travel arrangements. Operation of some holidays are dependent on a minimum number of persons booking the holiday. If that number is not achieved, we reserve the right to cancel the holiday. However we will not cancel your booking less than 4 weeks before the scheduled departure date except for reasons of force majeure (as defined above), or failure on your part to pay the deposit and/or final balance, or any other reason beyond our control. If we are forced to cancel your holiday after departure we will, wherever possible, make suitable alternative arrangements. If we are unable to make such alternative arrangements, or you reject these for good reason then we will return you to your point of departure and refund you for any unused services, if appropriate. Where we make a major change or cancel your holiday, except where a major change or cancellation arises from circumstances amounting to force majeure, consolidation due to minimum numbers not being attained, flight schedule changes, third party resort development, failure on your part to pay the deposit and/or final balance or for any other reason beyond our control, we will pay you, as a minimum, compensation as detailed below. Any compensation payable will be on these scales, based on how many days before your booked holiday departure we tell you of a major change:

Period before departure when we notify you of a major change	Compensation payable per person*
Before balance due date	Nil
Between balance due date and 29 days (inclusive) before departure	£10.00
Between 28 and 15 days (inclusive) before departure	£20.00
Between 14 and 8 days (inclusive) before departure	£30.00
7 days or less before departure	£40.00

This standard compensation payment will not affect your statutory or other legal rights. *We will only make one compensation payment for each full-fare-paying adult in the holiday booking. Any children not paying the full fare will receive compensation on a pro rata basis of the adult fare. Children using a free child place will not receive any standard compensation payment. If your booking for other holiday arrangements are cancelled we will do our utmost to ensure you receive a full and prompt refund of the price of these arrangements.

We reserve the right to make changes such as dates, itineraries (those shown are indicative only, are subject to change and may be affected by local conditions), accommodation, cruise ship, mode. Changes to that of a similar standard will not be considered a major change. 8. Air Carrier Liability for Passengers and their Baggage
Flight notices, flight information and EU blacklist. This is a notice required by European Community Regulation (EC) No. 899/2002. This notice cannot be used as a basis for a claim for compensation, nor to interpret the provisions of European Community legislation or the Montreal Convention, and it does not form part of the contract between the air carrier(s), us and you. No representation is made by the air carrier(s) or us as to the accuracy of the contents of this notice.

This information notice summarises the liability rules applied by European Community air carriers as required by European Community legislation and the Montreal Convention. Compensation in the case of death or injury. There are no financial limits to the liability for passenger injury or death. For damages up to approximately 113,000 Special Drawing Rights ("SDRs") the air carrier cannot contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it was not negligent, or otherwise at fault.

Advance payments. If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs. Passenger delays. In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,694 SDRs.

Baggage delays. In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,131 SDRs.

Destruction, loss or damage to baggage. The air carrier is liable for destruction, loss or damage to baggage up to 1,131 SDRs. In the case of checked baggage, it is liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault. Higher limits for baggage. A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in by paying a supplementary fee. Complaints on baggage. If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within seven days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability of non-EU carriers. If the air carrier actually performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time limit for action. Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis for the information. The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the European Community by European Community Regulation (EC) No. 2027/97 (as amended) by European Community Regulation (EC) No. 889/2002 and National Law of the Member States. In accordance with European Community Regulation (EC) No. 2111/2005, Article 9, we are required to bring to your attention the existence of a 'Community list' which contains details of air carriers that are subject to an operating ban within the European Community. The Community list is available for inspection at wwwair-ban.europa.eu. In accordance with European Community Regulation (EC) No. 2111/2005 we are required to advise you of the actual carrier operating your flight connecting flight/transfer if your booking includes flight(s). We do this by listing carriers to be used or likely to be used on the Flights information section of our FAQs at www.austravel.com.

The airline may use wide and narrow-body jets. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in at the boarding gate. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard. Some flights may need to stop en route. If we know about this in advance we will tell you. Flight times shown in the brochure, on the website and on your booking confirmation are not guaranteed. Actual flight times are shown on your tickets. Flight times are local times based on the 24-hr system. Please check with the airline regarding luggage allowance limits and the maximum allowable single item baggage weight. If you require a medical condition, serious illness, recently undergone surgery, or have limited mobility, we will be notified to you as soon as possible and in all cases at check-in at the boarding gate. If you require special assistance, you must advise us and your airline as soon as possible by registering your complaint with us. It will not determine how your complaint should be resolved. If you prefer, you can take your complaint to the County Court or another suitable court. Information regarding complaints may be shared with other tour operators.
